Legal Notice (Last updated: Jul 01, 2024)

SinoLink Deutschland (hereinafter referred to as SinoLink) provides you with a broad and interesting offer of information on this website. However, we ask you to pay attention to the following legal notices regarding the contents of this website. The information given on this website is subject to both exclusion of liability and a copyright annotation.

Liability for Content

The content of our pages has been created with the utmost care. However, we cannot guarantee the accuracy, completeness, and timeliness of the content. As a service provider, we are responsible for our own content on these pages in accordance with § 7 Abs.1 TMG (German Telemedia Act) and general laws. According to §§ 8 to 10 TMG, as a service provider, we are not obliged to monitor transmitted or stored third-party information or to investigate circumstances indicating illegal activity. Obligations to remove or block the use of information under general laws remain unaffected. However, liability for this can only arise from the point of knowledge of a specific legal violation. If we become aware of corresponding legal violations, we will remove this content immediately.

Liability for Links

Our offer contains links to external websites of third parties, over whose content we have no influence. Therefore, we cannot assume any liability for these third-party contents. The respective provider or operator of the linked pages is always responsible for the content of the linked pages. The linked pages were checked for possible legal violations at the time of linking. Illegal content was not recognizable at the time of linking. However, permanent monitoring of the linked pages' content without concrete evidence of a legal violation is not reasonable. If we become aware of legal violations, we will remove such links immediately.

Copyright

The content and works created by the website operators on these pages are subject to German copyright law. Reproduction, editing, distribution, and any kind of exploitation outside the limits of copyright law require the written consent of the respective author or creator. Downloads and copies of this page are only permitted for private, non-commercial use. Insofar as the content on this page was not created by the operator, the copyrights of third parties are respected. In particular, third-party content is identified as such. If you nevertheless become aware of a copyright infringement, we ask for a corresponding notification. If we become aware of legal violations, we will remove such content immediately.

Data Protection

The use of our website is generally possible without providing personal data. If personal data (e.g., name, address, or email addresses) is collected on our pages, this is always done on a voluntary basis as far as possible. This data will not be passed on to third parties without your express consent. We point out that data transmission over the Internet (e.g., in email communication) may have security vulnerabilities. Complete protection of data against access by third parties is not possible. The use of contact data published within the scope of the legal notice obligation by third parties for the purpose of sending unsolicited advertising and informational materials is expressly objected to. The operators of the pages expressly reserve the right to take legal action in the event of the unsolicited sending of advertising information, such as through spam emails.

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics uses so-called "cookies," text files that are stored on your computer and enable an analysis of your use of the website. The information generated by the cookie about your use of this website (including your IP address) is transmitted to and stored on a Google server in the United States. Google may also transfer this information to third parties if required by law or if third parties process the data on behalf of Google. Google will not associate your IP address with any other data held by Google. You can prevent the installation of cookies by adjusting the settings of your browser software; however, we must point out that in this case, you may not be able to use all functions of this website to their full extent.
